

Helper's Info

We need helpers for the sale. This will be limited to the first 50 people to call and set up working times. As a helper, you will be required to work 8 hours. If interested, please email Melissa.

To show our appreciation for all of the great help, we will have a special "helper's only" sale which will be before the contributor night pre-sale. **To qualify for the Helper's Sale, you must work a total of 8 hours.** The hours are to be split into two 4 hour shifts. Four of the hours can be worked before or during the sale and the remaining four will be completed on sorting night. Every helper must be present for sorting night (the more people involved, the less time it takes). **If you sign up to be a helper, but do not fulfill your working hours, we will keep an extra 20% of your sales (50/50 split) regardless of whether or not you shopped the Helper's only sale.** Of course, if you have an emergency, please talk to us about your situation.
