

Precious Angels' contributors and customers know the secret of consignment shopping: BARGAINS! We all know how quickly children outgrow clothes and toys - our sale is a great way to purchase needed items and get rid of unwanted things at the same time.

As a consignor, you make 70% of what you sell. Precious Angels will do *all* of the selling and advertising *for* you. Our mailing list of potential customers is 1,800+ strong and growing every day. Consignors may also attend a preview sale before the consignment sale is open to the general public.

As a customer, you have the advantage of shopping a well-organized consignment sale with over 12,000 square feet of children's merchandise. With a consignor base of 300+, our customers are guaranteed a wide selection of sizes and types of clothing, furniture, toys, etc.

We accept items that are baby and child related provided that the articles are in great shape and work properly. We sell girls clothing from size 0 to 18 and boys clothing size 0 to 20. Please **contact us** about entering larger junior sizes and small men's sizes.

We also accept any of the following: books, videos, computer & video games, toys (inside & out), baby and children's furniture, bedding, feeding utensils, hairbows, shoes, and much more. ***If a child needs it or wants it, we accept it!***

We organize two seasonal sales per year - one in the Spring/Summer and one in the Fall/Winter. Check out our calendar for the next sale dates and location so you don't miss one of Middle Tennessee's largest consignment sales.
